YOUR PARTICIPATION IS NEEDED!
Virtual Volunteers for Stanford Advisory Board on Healthy Aging Brain

WE ARE LOOKING FOR...

• Organizational representatives of the Bay Area organizations serving minority communities, or
• Residents of minority communities who are over 60 years and living in the Bay Area, or
• Caregivers of family members with dementia, Parkinson's disease

- We invite you to be our advisors from your community to share your valuable expertise to help guide our future research projects.
- Prior advisory board members have gained valuable experience working on our boards.

WHAT SHOULD YOU EXPECT WHEN YOU JOIN THE ADVISORY BOARD?

• You will share your expertise and experience representing your community.
• You will learn about the latest information on aging health.
• We assist with your or family members' questions on a healthy aging brain.
• Meetings are flexible! We meet in small groups, 1-2 times every two months over Zoom; each session is only 45 minutes.
• You will receive a $25 gift card for each session you attend.
